What schools are saying about our Specialist Alternative Provision:

"I really have only positive things to say. When I originally walked around the setting, I thought the setting was amazing and would be great for our pupils. The communication is also great and you always keep me so well informed. Thanks again for all you do." Joseph Turner Primary School

Albright Education Centre

Specialist Alternative Primary Provision

Albright's Primary Alternative Provision offers short-term intervention placements for Year 5 and 6 pupils struggling to access mainstream education due to reasons, such as anxiety, low self-esteem, lack of resilience, school refusal and social communication difficulties.

A placement includes SENCO support to start any potential diagnosis assessments and supported transition, with specific strategies, back to mainstream.

Provision

- ◆ Full-time timetable
- ◆ Bespoke education away from a main-stream setting
- ◆ Optional SATs support
- ◆ Specialist Counsellor support
- ◆ SENCO support
- ◆ Weekly visit from Otis, our pet therapy dog
- ◆ Family Support Worker available
- ◆ Personalised and supported transition back into mainstream when appropriate

- ◆ £250 per week

Curriculum Intent

'Developing the right pathway for each individual child enabling them to flourish and succeed'

What schools are saying about our Specialist Alternative Provision:

"All the work you have done is obvious and lasting - I feel our pupil is so much better equipped to manage mainstream school and any further education due to the work that has been done during his placement at Albright. " Q3 Academy Langley
