

Tipton Holiday Activities

Welcome

Welcome to the Tipton edition of the Holiday Activities Newsletter it's a place for you to find lots of useful information for fun activities to keep your children happy and active over the school holidays.

A Summer of fun

Firstly, let us tell you about what we got up to this summer, there has been so much to do and so much fun has been had across the town over the holidays. Eight different organisations provided activities right across the area. These included being part of a rock band, taking part in athletics, school holiday clubs, day trips, arts and crafts and lots more!

Winter Activities

P&E Sports at Gospel Oak School For ages 11-16 years. Activities include chill out zones, arts, pool, table tennis, computer games, sports, nerf gun battles, drama workshops and more!

SLT Holiday Camp For ages 8-16 years. Children get active through sports and games, try out new exciting activities, learn about nutrition and healthy eating and have an all-round fun filled experience.

KIDS Winter Family Panto SEND Only. Family Panto (Funtime Theatre) – Sleeping Beauty

Glebefields Music Workshop For children aged 9+ years. Taking inspiration from the most wonderful time of the year, you will learn skills to create your very own Christmas track.

Tipton Library Christmas Craft Workshops For children aged 7+ years. Join us for a Christmassy themed craft party! Make and wrap presents to give to loved ones, play games, make decorations and crackers.

Winter Wonderland Families with school aged children. Lots of winter activities to enjoy, meet father Christmas and have festive fun!

Aspire Active For ages 5-11 years. Children get active through sports and games, try out new exciting activities, learn about nutrition and healthy eating and have an all-round fun filled experience.

Visit the website to find more activities right across the borough

WOWs!

Some summer 'wow' moments in Tipton include...

A trip to Weston Super Mare, a first trip to the seaside for some children

Seeing your children grow in confidence and learn new skills

Lots of roast dinners!

Rocking Holiday Activities!

School of Rock creates a band in 4 days.

Coneygre Youth Arts Centre has delivered 3 School of Rock projects for young people aged 11– 19 (up to 25 with additional needs) as part of the Sandwell HAF programme. Young people get the chance to form a band and, with support from our fantastic staff team, learn a song to perform to an audience at the end of the 4-day programme.

The sessions take place at Coneygre Youth Arts Centre, Tipton. We provide all the equipment including drum kits, guitars, microphones, amps and a full stage set up including lighting for the final gig. All you have to do is book a place, come along and rock out!

3 new bands were formed during the summer and a showstopping concert took place for friends and family at the end of the week. The audience were shocked to see their children performing rock songs by artists such as Arctic Monkeys and The White Stripes after just 4 days. Many of the young people taking part have never picked up an instrument or performed in front of an audience before so it can be quite challenging at times. The final performance was a fantastic achievement for everyone involved and was a proud moment for the youth workers, the young people themselves, and the family members in the audience to support them.

“I never thought M would get up and perform in front of a full theatre like that – it has helped her confidence massively in such a short period of time.”

School of Rock will take place as part of the Winter 2022 programme – there are 12 places available to book so be quick to reserve your space.

‘Tis the season to have fun!

Our pick and mix menu means we have lots of activities to suit everyone including:

- Live festive panto
- Winter Wonderlands
- Holiday Clubs
- Multi Sports, football, dodgeball and more
- Winter arts, crafts and decoration making
- Learn an instrument, perform in a band
- And much, much more...

FEEL THE MAGIC THIS WINTER
AND GET BOOKING!

Simply complete the short, simple form to register.
