Dear Parent,

As we approach the end of term for Year 11 pupils, it is important that all text books and laptops be returned, to enable us to use them with other pupils.

We are a small Centre with limited budget and need to use our resources for as many pupils as possible.

Please help your child search for any of the above items and encourage them to return them to the Centre.

Exam Results

The Centre will be open on **Thursday 24th August** for exam results between 10.00am and 12.00 noon.

Our pupils have worked hard during the year and deserve success. They are all anticipating the next stage of their lives and we wish them all good luck and happiness.

Please feel free to contact us at any time during the rest of the term, or in the autumn term, if you think that we can offer any help or support. We will be happy to assist.

Contact details for Connexions are attached.

Yours sincerely
