

Dear Parent(s) and Carer(s)

We started off this week all in our odd socks to celebrate individuality and raise awareness of bullying - a lovely way to spread the message that at Albright, we are proud of all our little unique ways and personalities and to reassure that everyone is a welcome member of our school. This is such an important message for all our children to hear - both in school but also out there in the wider community. A very colourful way to start the week!

The big news this week is obviously our residential! This is such a fabulous opportunity for our children and a wonderful way of making lifelong memories and new friendships. I will let the photos speak for themselves this week... but a huge well done to those who have bravely trialed a new experience, be that sleeping away from home or a new adventurous activity. For anyone who wasn't quite ready this time ... rest assured there'll be another adventure planned soon! Next week I will share some of the pupil views of their time away and of course a very big thank you to all the staff who have given up their time to go and to Mrs Tymoshyshyn for organising the whole trip!
