

Dear Parent(s) and Carer(s)

I thought this week it might be nice to share a bit of an overview from our 'Albright Plus' site in West Bromwich - for pupils in KS1, 2 and 3. This is part of our expanded provision and although it only opened in September, it is growing rapidly and is a lovely little site. Mrs Crutch, Head of Primary, had this to say about the recent activities that have been taking place;

*Since opening, lots of exciting things have been happening at Albright Plus. We have built a model Stone Henge, learnt lots of yoga poses, enjoyed playing musical instruments and shared our dream travel destinations over breakfast at our new breakfast bar.*

*We have made great use of the 100 square in the playground for our maths lessons and relaxed during story time with hot chocolates (marshmallows and cream included!).*

*This week we have been creating our post box and writing letters to Santa as well as learning to measure. It's been fantastic to watch the pupils make new friends and discover new skills. We have incredible kind and creative young people who I know will continue to succeed and excel each week.*

There will be a lot more information about Albright Plus in our bumper end of year newsletter so look out for it!

Talking of end of year ... all of the festive events are starting to take place now. We will be sharing the plans for the final week in next week's newsletter. I am also happy to share with you some of the details for Christmas Light Switch Ons in Sandwell. Enjoy and stay safe if you attend anything and please share any photos with us if you do!!

Finally - some fabulous photos to share with you for our postponed Children in Need fun. This was delayed due to our residential trip to Frank Chapman - but I am so glad we were able to celebrate eventually. Thank you to Mrs Francis, Mrs Hayer, Miss Smith and Miss Mclean who arranged all sorts of fun!

Have a brilliant weekend everyone, whatever you get up to!

Mrs Hazelwood
