

26<sup>th</sup> April 2024

Dear Parent(s) and Carer(s)

At the end of last week pupils from Albright descended on Alton Towers for the day. It was wonderful to see the pictures and hear about all the exciting things the pupils got up to there. I am very proud of the maturity and the behaviour of pupils whilst there. Everyone including the staff had a fantastic time,

everyone deserved the well-earned break of the weekend following. I have included some pictures of the day for you all to see, thank you to the staff who organised and attended to make the day a success.

Following on from the trip to Alton Towers and also last week's newsletter, I do need to mention yet again,

attendance. It is very important that any trips do not impact pupil's attendance, it is expected that if pupils attend a trip they also attend school on the days following. This week we have seen attendance drop with many reasons being due to the Alton Towers Trip, if this continues to happen we will need to review what trips we can offer, which is a decision we would not make lightly.

Art exams have been taking place all week in centre, big well-done to all pupils who have completed their first exam this week. I would also like to say a thank you to pupils who have not been in the exam, they have been very considerate and quiet around exam spaces, and adapted well to any time table or teacher changes that have been needed to accommodate the exam.

As a reminder for all parents, Monday 6<sup>th</sup> May is a bank holiday, school will be closed and re-open Tuesday as normal.

Have a wonderful weekend and we will see you again on Monday.

Mrs Hazelwood
