

20<sup>th</sup> September 2024

Dear Parent(s) and Carer(s)

This week we celebrated **ONE WHOLE YEAR** of Albright Plus, our Key stage 1 - 3 school in West Bromwich. The year has flown by (it completely took me by surprise that it had been a year!)

We are so proud of our Plus setting - it offers a therapeutic curriculum and has already proven to be a real lifeline for children struggling to access their mainstream school. Pupils there have participated in so many wonderful opportunities, including creating a new garden, growing all types of vegetables and herbs, tasting a variety of foods in the onsite kitchen, helping design a calming and peaceful library space all the children love to use and using the soft play room for yoga and gymnastics. We have also been able to take our Albright main site pupils there to see the Animal Man and Plus pupils joined Albright for lots of activities and trips over the summer term. It has been the perfect addition to our school and we are so proud of the offer there. I wanted to take the opportunity to thank the Plus team for their hard work in establishing such a successful school from scratch - it has been a real learning curve and an incredible journey and we are excited to see how Plus grows!

This week all forms were judged on their September competition... To create a personalised Form Noticeboard. The entrants were of such a high standard Mr Downey had to enlist the help of Mrs Bennett from the office, to judge the winners. The results are in... first place Windsor 3, second place Windsor 3, and third place Churchill 3.

Winner – Windsor 3

2<sup>nd</sup> Place Windsor 1

3<sup>rd</sup> Place Windsor 1

Well done to them!

Have a lovely weekend  
Mrs Hazelwood
